

**FRESNO, CALIFORNIA
CLASS SPECIFICATION**

: ELECTRICIAN

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Electrician is the first level in a three level Electrician series. Incumbents perform skilled work installing, altering, maintaining and repairing electrical systems, equipment and fixtures associated with, depending on area of assignment, buildings, facilities, fire alarms, substations, high and medium voltage switchgear and transformers, power generation equipment, street lighting systems, traffic signals and/or pump stations.

The Electrician is distinguished from the Senior Electrician, which has responsibility, as lead worker, for making work assignments, overseeing the work of other electricians, training, ordering and distributing supplies, preparing reports, and performing administrative tasks in the absence of the supervisor.

Deleted: substations, high and medium
